

The special Can of both Committee & Council
was to secure a broad catholic basis for
the Society.

Pains were taken to frame objects within
which educationalists of whatever School
might work freely, to avoid all such
definiteness & minuteness as would be
a limitation in the future in so progressing
a Science as Education.

It will be seen that both the letter &
Spirit of the original objects are violated
in this Leaflet.

A meeting of the Executive Committee of
the P. N. S. U. was held on Wednesday June
27th 1894th at the office.

"To reconsider the leaflet" was one of the
notices on the Agenda paper.

This leaflet appeared as an advertisement
in the Parents Review & elsewhere.

On comparing the "Objects" as set forth in
the leaflet with the original objects of
the Society, great differences appear.

The "Objects" of the Society which have been
in force for six years were Constitutionally
framed by an able Committee afterwards
ratified, with some modification, at a
meeting of the Central Council held at the
College of Preceptors under the presidency
of the Rev. Canon Daniel.

Amongst the educationalists present on
this occasion were Miss Clough, Miss
Shirreff & J. Quick.

It seems desirable that all the members of the Society should know something of the question at issue, the more so as this is an opportunity to make it plainly understood that the apparent indefiniteness of the original 'Object' is intentional & has a two-fold purpose: —

- (a) To allow the utmost freedom & self-developing power to each Branch &
- (b) To leave the Society open to the steady advances of Education as a Science.

As the issue of the meeting on June 27th is rather a moot point to be again opened up at another meeting of the Executive Committee on July 18th, the members of the Central Council & the Branches will be informed further after that date.

Hon. Org. Sec.

Resolution (proposed by Miss Mason & seconded by Miss Webb).

"Resolved that all advertisements relating to the Educational Union which purport to set out its objects shall set out those objects as contained in rule 3 of the Society without alteration".

~~Before votes were taken upon this resolution~~
 the question was raised — whether the Committee had any power to alter the wording of the objects?

In answer to this the Chairman read the following legal opinion: —

Parents' National Educational Union.
